Program funded by Bonneville Power Administration.

Residential Heat Pump Water Heater Rebate

Program Participation Guidelines

HOMES THAT QUALIFY FOR A REBATE

- Site Built, Multi-Family, & Manufactured Homes qualify for one HPWH per existing residence replacing an electric water heater.
- Home *must* be permanently occupied year-round; seasonal homes and homes with part-time occupancy are *not* eligible.

INSTALLER REQUIREMENTS

- Installation is not required to be completed by a contractor.
- Self-installers are encouraged to watch online training for their specific products' installation.
- For a list of approved products please visit: Document Library - Bonneville Power Administration

BEFORE INSTALLATION: PRE-APPROVAL

- An on-site visit is *not* required prior to installation to qualify for the rebate.
- Rebate Applications must be submitted within six (6) months of purchase/installation to qualify.

AFTER INSTALLATION: FINAL DOCUMENTATION

- Submit a completed Heat Pump Water Heater Rebate Application.
- If installed by a contractor, submit final invoice showing installation information and "paid" status.
- If self-installed, provide invoice or proof of purchase (receipt) including model number, purchase date and cost.
- **All required documentation must be included with application for rebate to be paid.**

QUALITY ASSURANCE INSPECTION

- Coos-Curry Electric reserves the right to inspect installed product(s).

REBATE PAYMENTS

- Please allow 10-12 weeks for payment after receipt of all required documentation.
- All rebates will be paid in the form of a credit to an active CCEC member account.
- Please ensure to specify the correct account number in your application to where credit should be applied.

For additional questions regarding the Rebate Program please visit our website at www.ccec.coop or call 541-332-3931.
