ELIGIBILITY REQUIREMENTS

- Appliances must be new and ENERGY STAR® certified.
- Appliances must be installed at the service address listed above.
- Only one rebate per appliance type per member.
- Application must be submitted within **180 calendar days** of purchase date.
- Homes must be occupied year-round; seasonal homes and homes with part-time occupancy are *not* eligible.
- Clothes washers must meet ENERGY STAR® specifications and Top Loaders must have a minimum integrated modified energy factor (IMEF) of 2.38.
- Clothes dryers must be electric and ENERGY STAR® certified (BPA provides tier classifications)
- As ENERGY STAR® specifications change, BPA continues to accept pre-existing models that were ENERGY STAR® certified at time of manufacture.

INSTALLATION REQUIREMENTS

- There is no pre-approval needed for this rebate.
- Installation is not required to be completed by a contractor.
- CEE Tiers can be found at <https://cee1.org/program-resources> and will be verified by CCEC.
- Coos-Curry Electric Cooperative reserves the right to inspect installed products(s).

REBATE PAYMENTS

- Please allow 10-12 weeks for payment after receipt of all required documentation.
- All rebates will be paid in the form of a credit to the active CCEC member account listed on the application.

REQUIRED SIGNATURES

I certify that the information provided in this application is true and accurate. I understand that:

- The appliance listed above has been purchased and installed at my service address.
- The appliance meets all ENERGY STAR® eligibility requirements.
- I agree to allow cooperative staff to verify installation and documentation if necessary.
- False statements may result in denial of rebate and/or program ineligibility.
