## Residential Insulation Rebate Program Participation Guidelines

### HOMES THAT QUALIFY FOR A REBATE

- Existing Site-Built and Manufactured homes are both eligible.
- Homes *must* be occupied year-round; seasonal homes and homes with part-time occupancy are *not* eligible.

### REBATE AMOUNT (REBATE(S) WILL NOT EXCEED 100% OF THE INSTALLED COST)

- Rebate amounts vary depending on type of insulation (wall, floor, attic) as well as existing and new R-Values.
- Rebate payments range from \$0.05-\$2.00 per square foot installed.

### INSTALLER REQUIREMENTS

- Installation is not required to be completed by a contractor.
- Insulation must be installed according to the BPA Residential Weatherization Specifications and Best Practices Guide( [Document Library - Bonneville Power Administration](#))

### BEFORE INSTALLATION: PRE-APPROVAL

- An on-site visit is *not* required prior to installation to qualify for the rebate, however if installation is not being performed by a licensed contractor, pre-installation photos are required.
- Rebate Applications must be submitted within six (6) months of purchase/installation to qualify.

### AFTER INSTALLATION: FINAL DOCUMENTATION

- You or your contractor must submit a completed Insulation Rebate Application and "paid" invoice.
- If a registered OCCB contractor installs the insulation, they must provide reports documenting pre and post insulation conditions, including location of installation, square footage, and area covered.
- If project is not completed by a licensed contractor, pre- and post-photographs are also required.
- **All required documentation must be included with application for rebate to be paid.**

### QUALITY ASSURANCE INSPECTION

- Coos-Curry Electric reserves the right to inspect installed product(s).

### REBATE PAYMENTS

- Please allow 6-8 weeks for payment after receipt of all required documentation.
- All rebates will be paid in the form of a credit to an active member account.
- Please ensure to specify the correct account number in your application to where credit should be applied.
